Dear Ms. Brady:

UUURef: FEC Letter dated May 7 2002 RQ-2

UUUID # C 00346658JJJJ

This letter is in response to your inquiry dated May 7, 2002 seeking correction and /or clarifications to the year end report (7/01/01 to 12/31/01). We have thoroughly reviewed four issues raised in your letter. We have amended and electronically submitted the 2001 Year End Report, and we are responding as follows:

1.UDiscrepancy in the aggregate election cycle to date totals

Upon review of the procedures for the requirement under 11 CFR sections 104.3 (a) (3) we noted an error on how we accounted for the year to date contribution from Peter Healy which was showing a negative balance of \$ 1,750, this was an error in the system and we have fixed this.

2.UIdentification of individuals who contributed amounts in excess of \$ 200 in an election cycle

Since filing, we have gone back and identified every contributor's occupation and employer that was missing and completed the profile to be in conformity with the regulatory requirements

3.UCorrection of descriptions in expenditure captions in Schedule B

The expenditure categories and vendor information have been modified to reflect accurate and acceptable descriptions under the regulations

4.UCertification from the lending institution

The certification from the lending institution was obtained and the original is sent to your office by Federal Express on June 17, 2002. The electronic format is also filed along with the report in its entirety.

We thank you for an opportunity to address the above issues and correct the year end report. If you have any question or need additional information, please do not hesitate to contact me at 913-432-6656 or Campaign Manager Ryan Horn at 913-685-1330.

Sincerely,
